

Assignment Brief: Rethink a Fashion Brand

Objective

Use ImagineArt's image and video models to create a new visual direction and marketing presence for a fashion brand.

Choose Your Brand (Pick One)

Participants may choose:

1. **Khaadi**
 2. **LAMA**
 3. **Any fashion brand you would want to launch for yourself**
-

What You Need to Create Using ImagineArt

1. **Outfit Concepts**
 - Generate fashion outfit concepts using ImagineArt and/or references
 2. **Product Photography (Listing Images)**
 - Clean, e-commerce style product shots
 3. **Campaign Visuals**
 - AI-generated or reference-based model
 - Model wearing or showcasing the chosen products
 - Studio or lifestyle style visuals
 4. **Social Media Creative / Marketing Post**
 - A compelling social media or campaign visual featuring the product
-

Task Overview

1. **Select Brand**

Choose from Khaadi, LAMA, or create your own brand.

2. **Define Direction**

Decide:

- Target audience
- Brand vibe (streetwear, luxury, minimal, bold, cultural, etc.)

3. **Generate Visuals**

Use ImagineArt to create all required assets.

4. **Build Your Board (FigJam)**

- Place visuals in sections
 - Add short notes explaining your thinking
 - Optional: Before → After comparison
-

Final Deliverable

A FigJam board showing:

- Selected brand
 - Outfit concepts
 - Product listing images
