

Slide 1:-

AI enabled GIKI
Attendance System

∴ First of it's kind.

∴ Giki logo.

∴ Picture should be as
a classroom environment.

∴ Indigenous.

Q1) How will the
attendance be taken

attendance be put

Add a slide of
Goal after 1st slide
with objective. Hardware

Solution: 1 Click ↗
and discussion of prev.
method.

Mention Benefits.

Data should be
mentioned in end.

Video should be horizontal.

Don't show logs.

∴ — Students Registered

In UI UX eliminate
Smart Attendance
and mention username
of professor.

Title
of

display Course add
methods.

∴ Fin for elective courses.

∴ Only models get
added

Click Add course
and it should ask
Core or elective.

Attendance In

Attendance ~~Not~~ Not

Date starts -/- 

∴ Don't add a multi-
Angle Mode only add
it in Capture Start.

Your Course

closes
-/-

Take Date

slide 2
goal

Remove side 3 and
4.

Improve side 5

Remove side 6
and 7
and 9

Slide 12 should have
daily shareable thing
